Maple Ridge Celebrates Canada Day with Drive-Thru: Cross Country Road Trip & More

Maple Ridge, BC: On July 1, celebrate Canada Day in new, safe and exciting ways with the City of Maple Ridge! This year's event is comprised of both in-person and online components. At the epicenter of the celebration is the Drive-Thru: Cross Country Road Trip, featuring live entertainment, themed displays and the Canada Day Food Truck Festival.

The special drive-thru experience will take you and your family on a cross country road trip. Soak in the sights and sounds of Canadian history through music, dance, log rolling and roving entertainers from the comfort of your vehicle. Finish your journey with a taste of Canadian cuisine at the Canada Day Food Truck Festival.

The Drive-Thru, which has been designed in compliance with Provincial Health Orders, will take place at the Albion Fairgrounds and Albion Sports Complex, with limited [registered timeslots](#) available between 11:00 am - 4:00 pm. Registration is not required for the Food Truck Festival.

There will also be a variety of online contests, games and activities leading up to and on Canada Day.

The Canada Day celebrations are presented and hosted by the City of Maple Ridge with support from the Government of Canada, event sponsors and community partners. We wish to thank those sponsors, partners, local businesses, volunteers and the Canada Day working group for their contributions and involvement. Visit the City's Canada Day webpage for more information at mapleridge.ca/1744.
