OCTOBER 2013: MID-MONTH UPDATE

SPOTLIGHT ON: ShakeOut BC October 17, 2013 at 10:17 am

What would you do if there was an Earthquake? Do you have a Plan?

On Thursday, October 17 at 10:17 am District staff will join millions of people around the world as part of an earthquake awareness program called ShakeOut. This is an annual event held the third Thursday of October. It's growing into a worldwide event for countries that are located on active earthquake fault lines.

The District encourages all businesses to participate in this event. It's easy to register on the ShakeOut BC website: www.shakeoutbc.ca. The website is filled with great information and links to help organize your participation at home and in the workplace.

The critical thing to do in an earthquake is to "Drop, Cover, and Hold On." Here's a breakdown of the three steps for the exercise:

- 1) Drop, Cover, and Hold On: 'Drop' to the ground, take 'Cover' under a table or desk and 'Hold On' to it as if a major earthquake were happening. Remain in this position for at least 60 seconds. Practice now so you will know what to do to protect yourself during an actual earthquake!
- 2) While still under the table, or wherever you are, look around and imagine what would happen during a major earthquake. What could fall on you or someone else? What could become damaged? What would life be like after?

3) Finally, practice what you will do after the shaking stops. Do you have a communications plan for your family? Do you have a 'Grab and Go' bag at the office and a Survival Kit at home?

Here are some links to allow you to get more information and make sure you and your family are prepared. The District's Emergency Services page is located at mapleridge.ca/EN/main/emergency.html. One of the best sites is shakeoutbc.ca. This site has a video link on the front page featuring one of our District staff members getting under his desk that was filmed as part of last year's drill.

Get your coworkers involved. Talk with your friends and family. Our ability to recover as a community depends on each of us taking responsibility for making a plan.

INFORMED: The Market is Going Under Cover!

A Partnership with Grow & Gather Keeps Market Dry

We've had a great year for weather for the Saturday Haney Farmers Market, but the odds are that the rain will come, so the Market is heading for cover! Starting this Saturday, October 19 plus on October 26, November 2 and 9, the Haney Farmers Market will be located at Grow & Gather (formerly Trice Farms) located at 24565 Dewdney Trunk Road. Please note that the hours change as well. The Market will now operate from 10:00 am until 4:00 pm.

This new Autumn Market will even feature a shuttle bus that leaves from the bandstand at Memorial Peace Park every half hour starting at 10:00 am. The theme for Saturday, October 19 is a celebration of the Squash. You will be amazed at the variety! October 26 is the Halloween Extravaganza where you are encouraged to try out your costume and maybe win a prize. We look forward to seeing you under cover this weekend. Leave the umbrella at home!
