Council Moves Forward with Outdoor Pool Project

Maple Ridge, BC: On Tuesday, October 3, 2017, Council moved forward with the development of an outdoor pool, located east of Thomas Haney Secondary co-located with the City's existing lawn bowling and tennis facilities.

"This is a very exciting decision for our community. There is a need for more aquatic facilities for our youth and while we would have liked to get this project open sooner, this approach will allow us to ensure that we honour the public assent process and ensure that citizens have the say on this project," said Mayor Read. "As this project moves forward we will continue to engage the neighbourhood, users of the existing facilities and the aquatic community to ensure the design meets the needs of the community today and into the future."
