

Let's Talk Soil

The City of Maple Ridge initiated a review of the **Maple Ridge Soil Deposit Regulation Bylaw** (Bylaw No. 5763-1999) in July 2016. Public consultation is a pivotal component of this review process. Following a Public Open House and Questionnaire in the fall of 2016, the City has prepared a new Draft Soil Deposit Bylaw. The City is looking to present the Draft Soil Deposit Bylaw and continue our dialogue with citizens, business owners and other stakeholders.

Public Open House

Thursday, February 2, 2017
5:00 – 8:00 pm (drop in anytime)
Council Chambers Foyer

All citizens, business owners and other stakeholders are invited and encouraged to attend and learn more about the Draft Soil Deposit Bylaw, and provide comments on how to improve on the Draft Bylaw.

In addition to the Open House, a Questionnaire for public feedback will be available on the Maple Ridge website www.mapleridge.ca/152/Planning after January 27th as well as at the Planning Department counter at City Hall.

The feedback that is received will assist staff in preparing a final Soil Deposit Bylaw for Council's consideration for adoption.
