

Maple Ridge Fire Department
22708 Brown Avenue
Maple Ridge, B.C. V3X 9A2

June 6, 2015

Dear: Maple Ridge Property Owner,

Re: Superior Tanker Shuttle Service

It is my great pleasure to notify you that the residential property you own **may** now be in an area designated as protected by "Superior Tanker Shuttle Service".

The Maple Ridge Fire Department has worked in conjunction with the Fire Underwriters Survey to obtain this designation in qualifying areas of our Fire Hall #2 response area. It demonstrates our ability to get water to the site of a fire in our rural areas, an important component for the protection of your neighbourhood.

As the residential property owner; you can now contact your insurance provider to discuss any benefits you may qualify for on your premium on the fire portion of your residential policy.

If you have any further questions regarding this designation, please contact the Maple Ridge Fire Department at 604 463-5880.

Regards,

Dane Spence, Fire Chief
