

This Figure indicates the general routes and connections which are to be preserved and developed. It is supported by a working map of multi-use and equestrian trails which will reflect as accurately as possible the existing trail network.

- Municipal Boundary
- Proposed Trails
- Existing Trails
- ALR (As of May 2006)

The District of Maple Ridge acknowledges that any proposed trail routes and connections through the Agricultural Land Reserve would require the approval of the Agricultural Land Commission

Long Term Multipurpose Trail Plan
