## APRIL 2017

### SPOTLIGHT ON: Earth Day 2017

#### Mark Your Calendar for the Start of the 2017 Festival Season

The annual Earth Day Celebration in Maple Ridge kicks off at 10:00 am on Saturday, April 22 at Memorial Peace Park, with the theme "BACK TO NATURE!" We are looking forward to celebrating the bounty of nature that surrounds us in Maple Ridge and encouraging families to get out from behind screens and spend more face time with nature.

Earth Day favourites from past years will be back, including HUB's Cycle Recycle Free Bike Draw, lots of kids' crafts, electric vehicles courtesy of VEVA, roving entertainers and flash mobs and, of course, the popular Family Freecycle, where gently used books, toys and clothes will be available free to the public at the Greg Moore Youth Centre. This year the organizers have arranged for a Food Truck Festival that will feature some of your favourite food on four wheels!

This is also the first appearance of the Haney Farmers Market for 2017. They are an important part of the Earth Day celebration not only because supporting local farmers is great for the environment,

it just tastes great. The fresh fruits and vegetables, local baking and preserves are an amazing addition to your family's dinner table. We all love to get reacquainted with the vendors who will serve us from May through to October.

Come on out with the whole family and celebrate Earth Day in Maple Ridge. Get involved, get engaged and get educated on some of the amazing initiatives in our community to help us live a more sustainable life. ### INFORMED: Spring Chipping Program

#### It's Chipping Time

Folks are busy tidying up their yards and gardens in preparation for all that nice weather coming our way. In partnership with the City, Ridge Meadows Recycling Society administers the Spring and Fall Brush Chipping Program for Maple Ridge residents. The Chipping Program is a great alternative to burning brush and the Maple Ridge Fire Department strongly encourages citizens to take advantage of this program to keep our air clean and community safe.

No pre-booking is necessary, simply place branches at the roadside adjacent to your property by the set-out deadline for your area.

The set-out deadlines for Spring 2017 are:

**Tuesday, April 18** for Maple Ridge residents who live **WEST of 224 Street**

**Monday, May 1** for Maple Ridge residents who live **EAST of 224 Street**

The program includes pick up and disposal of tree & shrub branches up to a total volume of 3 cubic metres (3 feet x 3 feet x 9 feet). Branches may be up to 150mm (6 inches) in diameter.

No construction waste, building materials, stumps, leaves, branches with thorns (e.g. rose bushes, blackberries), vines (including willow branches), bamboo, root balls, or household waste will be permitted.

Please note: items placed at the curb not covered by the program or excess volume of material will not be picked up. The purpose of this program is to provide an alternative to burning this material.

**NO LATE SET-OUTS OR OVERSIZED PILES WILL BE ACCEPTED!** For more information, phone Ridge Meadows Recycling at 604-463-5545, or visit [mapleridge.ca/357](https://mapleridge.ca/357).
