

MAPLE RIDGE THIS MONTH

October 18, 2019

Celebrate the Night Festival Includes Giant Fireworks Display

On Sunday, October 27, Maple Ridge's favourite new fall festival is back! Celebrate the Night runs from 5:00 to 8:00 pm at Memorial Peace Park which is transformed into a Halloween themed wonderland with glowing lanterns and great family friendly activities that include crafts, story time and music and dance performances on the Envision Financial Main Stage located on the bandstand. At 7:30 pm all of the attention turns east when we do a community countdown to start the fireworks display off the roof of the ACT Arts Centre. Bring your smartphone or video camera to capture this amazing display that will light up our downtown. This year we have some new interactive displays and we've invited some great food trucks for all of the guests to explore. For more information go online to www.mapleridge.ca/1758/Celebrate-the-Night.

Watch Council Meetings

Live From the Comfort of Your Home

This month marks the one year anniversary of the election of our Mayor & Council and they've been busy bringing action around their Strategic Vision for the community. We recognize that you're leading busy lives, but it's important to stay connected with the work of your Council. Did you know that you can watch all of Council's meetings from the comfort of your home on your computer, tablet or smartphone? The City of Maple Ridge live streams all of the Council meetings and maintains a video library of all past meetings. If you can't make it to City Hall in person this is a great option to stay informed on the important work of your local government. Just go to the City website at mapleridge.ca and click on the Council icon on the home page and you are taken to the menu that connects you with the agendas, reports and video streaming assets. Stay connected with your community.

The Haney Farmers Market Runs Until November 9

The Haney Farmers Market will be at Memorial Peace Park until Saturday, November 9 over at the south section of the park just north of the Walmart parking lot. Don't let the smaller footprint fool you, there's still a great selection of fresh local produce, baking and we're starting to see some incredible preserves and jams on offer based on the bountiful harvests of berries and tree fruits. On Saturday, October 26 the Maple Ridge BIA will be on location at Memorial Peace Park for their annual 'Trick or Treasure' event where the family is encouraged to join the hunt at local businesses and participate in 'spooktacular' games and crafts. Make sure you get out and enjoy the last four markets of the 2019 season. For more information go to www.haneyfarmersmarket.org.
