

## Hot Summer Nights 'PLUS'

The Maple Ridge Fire Department is hosting their popular Hot Summer Nights events this August in various neighbourhoods around the City.

This is a great opportunity to learn about the equipment used by Firefighters when they respond to calls for service. Staff will be on hand to share important fire safety information for your home and family. Don't forget to bring your cameras and if the weather is favourable, bring a towel as the Firefighters will set up hoses to spray the kids (and grown ups) as part of the event.

Dates and locations for the scheduled Hot Summer Nights visits include:

### Wednesday, August 3:

Alouette Elementary School (22155 Isaac Crescent)  
Country Lane Park (243 Street at 102A Ave)

### Wednesday, August 10:

(11849 238B St)

## Preparations for Upcoming Local Election are Underway

A postcard was included in June's property tax mailer reminding you of the local election taking place on Saturday, October 15, 2022. Citizens will have the opportunity to cast their vote to elect Mayor, Councillors and School Trustees that will serve our community for the next four years.

For those interested in running for Mayor, Council or School Trustee, information on filing nomination papers is available on the City website at [mapleridge.ca/306](https://mapleridge.ca/306).

In the coming weeks you will see advertising and social media posts about the upcoming election. Advance voting opportunities have been expanded and will include October 1, 5, 8, 11, 12, and 13 as well as mail ballot and drive thru voting opportunities.

A voter information flyer detailing important information on where and when you can cast your vote will be mailed in September. On Election Day there will be various polling locations around the neighbourhood to make it convenient for everyone to cast their vote. There will also be an information session for interested candidates at City Hall prior to the end of the nomination period. Watch our website for more details.

**WANT TO WORK THE ELECTION?** We are hiring for various positions on Election Day. You can find more information on the City website. We hope you can be part of our election team.

## Festivals and Events in August

Summer is here and if the high gas prices and turmoil at the nation's airports have you considering a local adventure, look no further than a wonderful line-up of family friendly events happening in the City this August. The Haney Farmer's Market is the perfect place to start your Saturday morning and after a cool spring and start to the summer, your favourite produce items are showing up in abundance. Stop by Memorial Peace Park from 9:00 am to 2:00 pm on Saturdays and fill your fridge and pantry.

Memorial Peace Park is also your summer headquarters for Music in the Park, Movies in the Park and the Summer Happenings programming taking place on Wednesdays and Fridays. The 'Happenings' is a mix of music and family activities that include Family Games Night, Bounce in the Park and Polynesian dancing. Concerts will include a 'Rock Night' and a 'Country Music Night.' Information on these events can be found on the City website at [mapleridge.ca/2308](https://mapleridge.ca/2308).

Music on the Wharf is back on Monday nights on August 8 and August 22. This is an opportunity to enjoy live music on the historic Haney Wharf which was the focus of life in Maple Ridge over a century ago when the Fraser River was a key route for people and commerce. You can find more information on the upcoming concerts at [mapleridgemuseum.org](https://mapleridgemuseum.org). Get out and enjoy the beauty of nature and the vibrant cultural and community events in your community.
