

TO: Her Worship Mayor Nicole Read MEETING DATE: September 12, 2017
and Members of Council

FROM: Chief Administrative Officer FILE NO. 05-1825-02

SUBJECT: Loan Authorization Bylaws MEETING: COUNCIL

EXECUTIVE SUMMARY:

Parks and Recreational facilities have been under consideration by Council after extensive public consultation. Staff has been directed to move forward with the following projects:

- Maple Ridge Leisure Centre Renovation
- Telosky Stadium Synthetic Fields
- Albion Community Centre
- Silver Valley Neighbourhood Gathering Places
- Hammond Community Centre Renovation
- Whonnock Lake Canoe and Kayak Facility Improvements
- Maple Ridge Secondary School Track Facility Upgrades
- Ice Sheet Addition

In addition, Council has directed staff to gather more detailed information to move forward on an outdoor pool.

The funding required for the above noted projects is \$55.5 million (details below) of which \$6 million can be supported from existing revenue streams. Council has directed that the remaining sum of \$49.5 million be borrowed, with the approval of the electors. With Council directing staff to proceed with obtaining further details on an outdoor pool at an estimated cost of \$6 million, the borrowing requirements increase back up to \$55.5 million.

This borrowing will require electoral approval, which can be achieved through the Alternative Approval Process (AAP) (full borrowing process is described below). At the July 11, 2017 Council meeting, staff was directed to prepare a separate bylaw for each project to allow the public to oppose one, some, or all of the projects.

The purpose of this report is to provide the information for Council to give consideration to three readings of the associated loan authorization bylaws (7370-2017 to 7378-2017, Attachments A-I). Should Council approve the bylaw readings, staff also recommend approval of the Alternative Approval Process Elector Response Forms (Attachments J-R) and approval of the AAP advertisement (Attachment S) to enable the process for the AAP to move forward once approval has been obtained from the Inspector of Municipalities.

RECOMMENDATION(S):

1. That Maple Ridge Leisure Centre Renovation Loan Authorization Bylaw No. 7370-2017 be given first, second and third readings;
2. That Telosky Stadium Synthetic Fields Loan Authorization Bylaw No. 7371-2017 be given first, second and third readings;
3. That Albion Community Centre Loan Authorization Bylaw No. 7372-2017 be given first, second and third readings;
4. That Silver Valley Neighbourhood Gathering Places Loan Authorization Bylaw No. 7373-2017 be given first, second and third readings;
5. That Hammond Community Centre Renovation Loan Authorization Bylaw No. 7374-2017 be given first, second and third readings;
6. That Whonnock Lake Canoe and Kayak Facility Improvements Loan Authorization Bylaw No. 7375-2017 be given first, second and third readings;
7. That Maple Ridge Secondary School Track Facility Upgrades Loan Authorization Bylaw No. 7376-2017 be given first, second and third readings;

11. That following approval of the bylaws by the Inspector of Municipalities, approval of the electors be sought through the Alternative Approval Process in relation to Bylaw Nos. 7370-2017, 7371-2017, 7372-2017, 7373-2017, 7374-2017, 7375-2017, 7376-2017, 7377-2017 and 7378-2017.

13. That the advertisement for the Alternative Approval Process be approved (Attachment S of the report dated September 12, 2017).

DISCUSSION:

Council has directed staff to proceed with the following projects, with a portion of the funding coming from debt:

1. Maple Ridge Leisure Centre Renovation	An additional \$3.5 million
2. Telosky Stadium Synthetic Fields	\$10 million
3. Albion Community Centre	\$10 million
4. Silver Valley Neighbourhood Gathering Places	\$1 million
5. Hammond Community Centre Renovation	\$2.5 million
6. Whonnock Lake Canoe and Kayak Facility Improvements	\$1 million
7. Maple Ridge Secondary School Track Facility Upgrades	\$2.5 million
8. Ice Sheet Addition	\$25 million
9. Outdoor Pool	\$6 million

Public consultation will be undertaken to gather input to the design criteria for each facility, this step is complete for the Maple Ridge Leisure Centre Renovations. Further descriptions of each project are noted below:

1. Maple Ridge Leisure Centre Renovation \$3.5 million

The Maple Ridge Leisure Centre has served the community for 37 years, and key infrastructure replacements and repairs are needed to ensure continued service. The project will fully upgrade the pool tanks and supporting systems including mechanical, electrical and chlorination and renovate the change rooms, lobby and reception areas. The total project is estimated to cost \$9 million with \$5.5 million already allocated towards it from existing sources.

2. Telosky Stadium Synthetic Fields \$10 million

This project proposes to redevelop the Telosky Stadium/Thomas Haney Secondary School field complex to a synthetic sports surface and add lighting and reorient other fields at this site. This will help address the acute shortage of field time for minor sports organizations in Maple Ridge.

3. Albion Community Centre \$10 million

This project proposes a new community gathering centre to replace the original Albion Hall that was demolished several years ago. The new community centre will be co-located on the same site as a new elementary school and neighbourhood learning centre that is proposed for the area. The vision for the Centre is for a facility that fosters a connection to the forested site, existing trails and wetland. Programming at this site will benefit both the students and the community.

4. Silver Valley Neighbourhood Gathering Places \$1 million

The two proposed outdoor pavilions will be more fully defined through consultation with the neighbourhoods. The intent is to support Silver Valley by connecting the neighbourhoods. These facilities will encourage activities such as barbeques, community gardening and outdoor gatherings.

5. Hammond Community Centre Renovation \$2.5 million

This project will provide a significant upgrade to the Hammond Community Centre. Renovations to the hall, daycare, lobby and building envelope are included. Landscaping and new support buildings for the sports fields and outdoor pool are also included. The existing sport court will be resurfaced and food truck infrastructure will be added to serve the outdoor pool and fields.

6. Whonnock Lake Canoe and Kayak Facility Improvements \$1 million

This project will improve the canoe and kayak facility at Whonnock Lake, primarily in terms of training space, boat storage and access to the lake.

7. Maple Ridge Secondary School Track Facility Upgrades \$2.5 million

Planned upgrades will improve track and field facilities, including lighting, additional seating capacity and storage. These upgrades will also help prepare this venue for the 2020 BC Summer Games.

8. Ice Sheet Addition \$25 million

This project adds an additional sheet of ice to address the shortage of ice and dry floor time for minor sports organizations in the community.

9. Outdoor Pool Construction \$6 million

At the August 1, 2017 Council meeting, staff were directed to proceed with an outdoor pool, adjacent to the Thomas Haney Secondary School. Staff recommend that this project be funded using the framework approved for the other projects.

Funding Model

The funding model approved by Council uses \$6 million in existing revenue streams to reduce the debt required. This stream includes Community Amenity Charges and Albion Density Bonus Amenity Charges. For the purpose of the borrowing bylaws, these funds have been allocated as follows:

Albion Community Centre	\$1.5M
Ice Sheet Addition	\$1.5M
Telosky Field	\$3.0M
	<u>\$6.0M</u>

As outlined in the funding model discussed at the July 18, 2017 Audit & Finance Committee meeting, the long term debt is amortized over 25 years. An additional property tax increase of 0.35% each year for 7 years will be required to fund the debt and cover the operating costs. Subsequently on August 1st, Council provided direction to also proceed with an outdoor pool for \$6 million. The operating and debt servicing costs from that project will result in an additional 0.10% tax increase, making the total tax increase 0.45% each year for 7 years.

Spending on these projects, for costs to be funded by debt, can occur only after the borrowing is approved and the Financial Plan Bylaw has been amended.

The following are the basic steps for the City to complete the borrowing for these matters:

- Complete three readings of each of the Loan Authorization Bylaws.
- Submit Bylaws and Liability Servicing Limit Certificate (signed by the Chief Financial Officer) to the applicable Ministry for review and approval.
- Seek elector approval through the Alternative Approval Process. Two public notices in subsequent weeks are required, after which time the forms will be available to the public at City Hall or on the City's web site. Electorate will have 30 days after the second publication to submit original forms to the Corporate Officer.
- Adopt the Loan Authorization Bylaws for those Bylaws that did not receive opposition of 10% or greater of the electorate. The Provincial provisional number of registered voters as of May 9, 2017 is 60,618 making the 10% threshold of electors 6,062.
- Subsequent to the thirty day quashing period as required by S. 760 of the Local Government Act, application for the Certificate of Approval by the Ministry, which upon receipt the City may borrow funds.

The Alternative Approval Process requires Council to approve the question(s) and format of the form that the public will be asked to consider (attached for each project in Attachments J-R) and Council is asked to approve the advertisement for the Alternative Approval Process (Attachment S). The questions will follow the example below for each specific project:

I am OPPOSED to the City of Maple Ridge proceeding with the borrowing of \$3.5 million as set out in the City of Maple Ridge Leisure Centre Renovations Loan Authorization Bylaw No. 7370-2017, unless it is approved by Assent of the Electors.

CONCLUSIONS:

As directed by Council, a separate bylaw is being brought forward for each of projects which will allow the public to have a say on each of the projects, rather than considering them as a bundle. We will seek Ministry approval and approval from the electorate using the Alternative Approval Process, for those bylaws that receive three (3) readings.
