

LEGEND

- 1 PLAYGROUND:**
Combination of natural and off-the-shelf playground elements with feature 'Fire Fighter' themed structure.
- 2 SAND AND WATER PLAY:**
Water pump with concrete runnel leading to bioswale. Sand area has natural stones, logs, and stumps

- 3 OPEN LAWN:**
Large, open space for frisbee, bocchi, and informal sports games. Framed with trees and a grassy berm.
- 4 LOOPING TRAIL:**
2.5m wide asphalt path providing a loop around the park. This trail provides a variety of views and stopping points, and has a gentle slope up the berm.

- 5 OUTLOOK:**
A seating area at the top of the berm overlooking the Fire Hall training area.
- 6 JUNIOR BIKE TRACK:**
An asphalt path with painted "road lines", play signage, and gentle mounds create an enjoyable bike course for children.

- 7 HALF-COURT BASKETBALL**
Tucked in near the base of the existing treed slope, the sounds from the half court will be muffled.
- 8 BERM:**
A gently sloping berm provides seating on the slopes, and a unique view from the top.

- 9 BIOSWALE AREA:**
The bioswale near the entrance collects the drainage from the adjacent play areas. It will feature bridge ovetop and with logs and boulders throughout.
- 10 POTENTIAL SHALLOW WETLAND AND BOARDWALK:**
To accommodate stormwater drainage from the adjacent Firehall site.

- 11 POTENTIAL SMALL DOG OFF-LEASH AREA:**
Potential area to accommodate a small dog only, fully fenced dog off-leash area.
