5 STRATEGIC PRIORITIES

COMMUNITY SAFETY

Ensure that citizens feel safe and are not afraid to engage in their community, that criminal activity is prevented or minimized, that people who need services can access them easily, that agencies understand and are accountable for their role and that all of this occurs within the capacity of local first responders and service providers.

INTER- GOVERNMENT RELATIONS

Build strong relationships with the region, other levels of government and local First Nations to set a foundation for problem solving and innovation to achieve defined strategic results.

GROWTH

Implement strategic plans related to local infrastructure and the economy including commercial and industrial land base, transportation corridors, transit, neighbourhood plans and key amenities.

COMMUNITY PRIDE & SPIRIT

Engage the public in positive activities as participants and as volunteers, to enhance the vibrancy of the community.

NATURAL ENVIRONMENT

Be alert to opportunities to care for the natural environment, to mitigate impacts on wildlife and to utilize natural assets to grow eco-tourism opportunities.
