

# HOLLY PARK PLAYGROUND REPLACEMENT

## JANUARY 2021 – PLAYGROUND FEATURE INSTALLED

The installation of the new play structure at Holly Park is completed. The playground has slides, balance beam, climbing features, a spinner and a small rock wall to climb on. The borders are installed level with the surrounding grass to support accessibility and the play structure has a transfer deck that leads to the slides.

## DECEMBER 2020 – CONSTRUCTION

The construction for the replacement of the play structure at Holly Park was planned for December.

## SEPTEMBER 2020 – PRICING

The City undertook a request for proposal process for the replacement of the playground structure at Holly Park as part of the City's Lifecycle Replacement Program.

## AUGUST 2020 – PUBLIC COMMENT PERIOD

## PROJECT LOCATION

On the corner of Darby Street & 117 Ave
