City of Maple Ridge COVID19 Facility Safety Plan – Outdoor Sport Box Policies & Procedures

The City of Maple Ridge (CMR) has developed the following policies and procedures with the purpose of preventing the spread of COVID-19 and safely operating CMR facilities for use. These policies and procedures represent the standards that user groups must meet based on the information from the Provincial Health Officer (PHO), ViaSport, and BCRPA. The City of Maple Ridge will continue to take direction from the advice of the PHO and the Provincial Government.

In this plan “users” includes all persons associated with the booking. This could include volunteers, staff, coaches, instructors, participants, spectators and/or parents.

1. Are you experiencing symptoms consistent with COVID-19 (refer to the link above for the most up to date list of symptoms)?
2. In the past fourteen (14) days have you been outside of Canada or BC?

If users answer 'yes' to any of the above questions, they must stay home or leave the facility immediately.
