

Beach Volleyball Court Location - Community Engagement

We need your input!

Legacy funding was provided by the BC Summer games to construct beach volleyball courts in our community.

We are currently gathering feedback on 3 potential locations: Maple Ridge Park, Whonnock Lake Park, or Albion Sports Complex. Please take a moment to review these proposed locations and share your thoughts with us by completing a comment form, which can be accessed by scanning the QR Code below or by visiting our Park Development webpage, at mapleridge.ca/1441/

Your input will help us to determine where best to locate these new courts!

Please submit your comments by August 14, 2022
