British Columbia		Completion lette Page 1 of
Date:		
Developer:	Subdivision N	No.:
Legal Description: Lots	to Plan No.:	
	the (civil/geotechnic	al) engineer of record verify that the
etaining walls as shown on the Appro	oved Lot Grading Plan dated	have been
onstructed and completed by the de	eveloper in general accordance	e with the grades shown on the approved
ot Grading Plan. Also, I confirm the	retaining walls have been built	t to good engineering standards under m
supervision and inspection(s). Furthe	er, these walls meet all require	ments including the approved structural
& grading design drawings, the City's		
mpact on house construction, adjoin	ing lots and final grades.
