GENERAL INFORMATION

To book a picnic shelter visit us online at MapleRidge.ca/BookPicnic or call 604-467-7422.

Cancellation Policy: For a full refund, cancellations must be made 14 days in advance of the booking. Cancellations that occur less than 14 days in advance of the booking receive a 50% refund. Cancellations that occur less than 48 hours in advance of the booking will be charged the full amount. Rentals will not be transferred or refunded less than 14 days before the booked date due to rain or inclement weather.

Keys: Certain shelters require keys for gate access, washrooms, electrical and/or water. Keys may be picked up at the Maple Ridge Leisure Centre (11925 Haney Place) on the day of, or one day prior to your booking. A \$10.00 refundable deposit applies. Keys are to be returned within 24 hours after booking.

Washrooms: Please note the washroom must be left in its original condition. It is the responsibility of the Renter to unlock and re-lock the washrooms. Maintenance or custodial fees may be assessed as a result of a failure to leave the premises in the same order and condition as upon arrival. Where the City must clean or restore the facility used due to the Renter's use of the facility, the Renter will be charged for the cleaning and/or repair of the facility on a cost recovery basis.

Parking: Please park in the main parking lot. If you are unlocking the gate to drop-off items or individuals closer to the park shelter site, please lock-it closed afterwards and do not leave an unlocked gate unattended. Ensure any vehicles used to drop off items are returned to the main parking lot for the duration of your booking.

Access: Picnic Shelter rentals provide exclusive access to the Picnic Shelter only. The park itself is open for public use. The Renter must not restrict the public from accessing park amenities. Please take a copy of your booking confirmation email to the park with you on the day of your booking. Signs are posted in the picnic shelters that they can be booked, should you encounter another group in your booked space, kindly explain that you have the facility booked, show them your booking confirmation email, and ask them to leave. If groups are not willing to leave a booked park shelter after showing them your booking confirmation email, please contact Bylaws at the following number: 604-467-7305. If it goes to voicemail, please know that it is monitored and will go to an afterhours phone on the weekends. In your voicemail, please include your name and a callback number that you can be reached at. Once received, the Bylaw Officers can attend and assess the issue.

Additional Things to Note: Alcohol, fires, and bouncy castles are not permitted in municipal parks. Fire restrictions limit cooking to propane barbecues, supplied by the user group.
