First Ridge Meadows Family Resource Expo to Take Place on May 10

Maple Ridge, BC: The first ever Ridge Meadows Family Resource Expo is set to take place at the Maple Ridge Public Library (22470 Dewdney Trunk Rd) on May 10 from 3:00 p.m. - 6:00 p.m. The event is free and open to the public.

The Ridge Meadows Family Resource Expo is designed to provide parents of children ages twelve years and under with valuable information on safety, health, support services, literacy awareness, recreation, and other community programs.

The event will feature a range of community organizations, including those focused on childcare and preschool services, as well as those providing support services and resources for families. Participants will have the opportunity to learn about local programs and services, ask questions, and connect with community organizations.

"The Ridge Meadows Family Resource Expo is an excellent opportunity for parents to learn about the resources and services available to them in the community," said Danielle Pope, Director of Recreation & Community Engagement. "We're excited to bring together a diverse group of organizations and provide a one-stop-shop for parents looking for information on a range of topics."

In addition to the resource fair, the event will also feature activities and games for children, making it a fun outing for the whole family.
