ACT Arts Centre Studio Theatre
Maple Ridge, BC

It's been 20 years now that Christine Tassan et les Imposteurs have been making their mark around the world.

Twenty years of spreading Gypsy jazz and swing songs, both on prestigious stages and in small villages far from major urban centres in Newfoundland & Labrador, on Vancouver Island, and in France. It's by reminiscing about this incredibly rich and adventure-filled journey that the musicians came up with the idea of creating "On the Road." This concept [show] takes the audience on the road during their tours, through magnificent landscapes and delightful anecdotes. Get ready for the ascent of the Great Wall of China, a bike ride in Stanley Park in Vancouver, crossing the Rockies in a snowstorm, or visiting Samoï-s-sur-Seine, Django Reinhardt's village.
