Conditions of Permit

The permit and its terms and conditions are governed by the **Maple Ridge Drinking Water Conservation Plan Bylaw No. 7425-2018 (the “Bylaw”)**. The permit must be affixed to a post facing the street serving the premises, beside the principal driveway so that it is visible from the street. The permit is issued specifically for new lawns or for nematode application to control the spread of European Chafer Beetle. The permitted watering will be done during the hours stipulated on the permit. **The permit fee paid is non-refundable.**

The permit issued to the property at this address is valid for a period of 21 days. Upon expiry of this permit, the prevailing watering restrictions or ban will be applicable and observed. **Should Stage Three (3) Restrictions be announced, the permit will no longer be valid.** Before or after the expiration of the Permit issued under section 5.5 of the Bylaw, the permit holder may not apply for more than one extension of the permit for new lawn or landscape watering on the same terms and conditions of the permit. Such an extension shall end on or before 42 days from the date of the issue of the original permit.

I, the undersigned, agree to abide by the permit conditions listed above and described further in the Bylaw.

Personal information collected on this form is in accordance with s. 26(c) of the Freedom of Information and Protection of Privacy Act (FIPPA) for facilitating your permit application. Please be advised that permits are considered public records that are available in various City publications or disclosed through information requests.
