

NOTICE

Fees changing for tree permits

Cutting and Removal of Trees

Changes are coming to the fees charged for permits related to cutting and removal of trees in Maple Ridge. New fees will take effect on June 30, 2026, following Council adoption of changes to the Maple Ridge Fees and Charges Bylaw No. 7575-2019.

Changes to fees for tree cutting and removal supports the City's commitment to achieving tree canopy targets and protecting natural assets for the community.

This change creates new fee types and differentiates residential and development applications in two streams.
