CEMETERY SERVICES

WE ARE HERE TO HELP

The City of Maple Ridge has provided Cemetery Services since 1878. We are dedicated to providing a special place to remember and celebrate the lives of the people we love. Our cemeteries are a reflection of our historical past and present.

Whether you are trying to locate a grave, planning ahead, or have recently experienced the loss of a loved one, our Cemetery staff are here to assist you in making the necessary choices that meet your needs. For details on offerings and frequently asked questions, please visit our Cemetery website at **MapleRidge.ca/Cemeteries** or contact our Cemetery Administration Office.

VISITING OUR CEMETERIES

We welcome visitors to lay cut flowers, wreaths, and floral offerings on graves. Fresh flowers may be placed year-round, while artificial flowers are only permitted between November 15 and March 15. Once their condition has deteriorated, they will be removed.

For the safety of visitors and staff, please do not place items such as personal mementos, photos, vases, candles, or landscape rock. Planting your own trees, shrubs, flowers, or bulbs in the cemetery is not permitted.

OUR BURIAL OPTIONS

The City of Maple Ridge offers a number of choices to accommodate a variety of needs and wishes. Cemetery staff can assist you in exploring the following options:

- Traditional Casket Burial
- Cremation on Full Burial Plots (maximum 4 cremations per plot)
- Inground Cremation Plots
- Columbaria (Niches)
- Garden Interments

If considering a full burial, it is recommended that the legal representative of the deceased contact us to make arrangements early in the planning stages.

CEMETERY FEES

Cemetery fees are set by a City Bylaw and do not include GST. For an up to date list of the current fee schedule, please visit **MapleRidge.ca/Cemeteries**. Please note that while non-residents are welcome to be interred at the Maple Ridge Cemetery, residents receive a preferred rate. Fees increase annually on January 1.
