SERVICE DESCRIPTION & COST ESTIMATE

The City collects the Business Improvement Area (BIA) levy as part of annual property taxes, then forwards the money to the DMRBIA, who uses the funds for a business promotion scheme that includes various programs and projects that improve and promote the Downtown area, including safety & security, beautification & revitalization, and events & marketing, as well as advocating on behalf of members with community interest holders.

Based on the 2026 total taxable assessed value of the proposed Downtown Business Improvement Area, the estimated annual levy rate per \$1,000 of assessed value for the next six years would be:

	2027	2028	2029	2030	2031	2032
Total BIA levy not to exceed	\$475,000	\$522,500	\$574,750	\$614,984	\$658,032	\$704,094
Per \$1,000 assessed value	\$0.52	\$0.57	\$0.63	\$0.67	\$0.72	\$0.77
