FLOW YOGA: this class involves smooth, flowing sequences connecting your breath with movement. This practice promotes relaxation and mindfulness.

POWER CORE: a dynamic blend of core focused training using a variety of equipment to condition, tone and enhance total body strength from the inside out.

BODY SCULPT: combining strength training, resistance training and body weight movements, this class is designed to sculpt your body.

TOTAL BODY CONDITIONING: utilizing a variety of equipment, this class will leave you sweaty and your whole body burning. Challenge your body by stepping into this full body conditioning class.

STEP & STRENGTH: a cardio focused work out that will make the most of your 60 minutes. Challenge your cardio capacity with coordination and choreography exercises. This class involves a strength element as well with weights.

CARDIO MUSCLE MIX: a mix of strength and cardio exercises that target all major muscle groups. Elevate your heart rate through compound movements and intense cardio bursts.

CARDIO CORE CONDITIONING: a dynamic class that combines heart pumping cardio exercises with core strengthening movements. This class is designed to improve cardiovascular endurance while strengthening your core muscles.

LUNCH CRUNCH: is a high-intensity 45-minute workout focused on building strength, improving endurance and maximizing your lunch break with efficient, full-body movements.

HIIT: a full body strength and cardio class that focuses on interval training. HIIT involves muscular strength and muscular endurance movements to improve your overall fitness level.

PILATES: this class focuses on core strength, flexibility and body alignment through controlled and precise movements. Pilates enhances muscle tone and improves posture. Perfect for all fitness levels.

ZUMBA: dance your way to fitness with our high-energy zumba class. This is a choreography-based class that includes non-verbal cueing.

20/20/20: combine cardio, strength and core in this hybrid class. A full body workout that aims to support you on your fitness journey wherever you are. Suitable for all levels.

ZUMBA TONING: this workout combines elements of traditional zumba with the addition of resistance training by using light weights.

LOW IMPACT: a gentle yet effective workout that focuses on improving strength, flexibility and endurance without putting excessive strain on your joints. Perfect for beginners, those recovering from injury or anyone simply seeking a gentler

GROUP SPIN: enjoy a high energy 45 minute dynamic ride that will challenge your fitness levels! Perfect for all levels. Take a spin on a Keiser bike as you endure intervals, hill climbs and sprints.
