#### **VOLUNTARY WATER METER INSTALLATION - TERMS AND CONDITIONS:**

1. This voluntary program is designed for single-family residential dwellings only and does not include duplexes, strata units, properties with secondary suites, commercial, industrial, or institutional properties.
2. The voluntary program cannot be used by applicants to subsidize bylaw infractions incurred by the applicant. Example: Part 5 Condition of Service 11(e).
3. The voluntary program is operated on a first come first served basis. Meter installations are based on yearly budgets and do not guarantee the applicant a meter at the time of application.
4. Water meters are not to be tampered with after installation and it is understood the water meter belongs to the City.
5. Once installed, the water meter will not be removed, and the property cannot revert back to the flat rate utility bill.
6. The Applicant agrees to comply with all the City Water Service By-law 6002-2001 & Cross Connection Control Bylaw and all amendments.
7. You must be the property owner to apply.

I understand that I am volunteering for a water meter to be installed at the address listed above and I am authorizing the installation on the next available installation date. I have read and understood the terms and conditions noted above:
